How you'll measure success

Metric	Baseline	90-day target	How to measure
Avg reply time	Measure in week 1	< 1 hour	WhatsApp labels + weekly Google Sheet
Online orders / month	40	48 (+20%)	Order log

Budget

Estimated monthly cost: GHS 0 – 150

Item	Cost
Canva Free	GHS 0
Mobile data top-up	~GHS 100

Stay on free tiers until week 8.

Using AI responsibly

Risk	Safeguard
Wrong prices in AI replies	Review every template before saving
Customer data privacy	Never paste customer phone numbers into ChatGPT (Act 843)
Never post fake reviews	Ask real customers via Kudobuzz

Skills to build

- Prompt writing
- WhatsApp Business labels
